

Experience

Markham, ON
May 2019 - Aug 2019

- Shipping Department
Grote Industries CO.

In this truck parts warehouse, my duties involved packing, wrapping and loading skids onto trucks.

Education

Brooklin, On
Sep 2013 - May 2017

- Ontario Secondary School Diploma
Brooklin Highschool

I have completed my High school education while maintaining the honour roll for 3 consecutive years. My main focus during my final two years was on computer programing, math and physics. I have also received the **Student Recognition Award** for my conduct within and outside of the school.

Oshawa, On
Sep 2017 - Jan 2023

- Bachelor of Information Technology (Honours)
Ontario Tech University

I have completed my degree in the Game Development and Entrepreneurship course, learning new and innovative ways of developing games that will captivate its players along with new programming skills in a time-effective manner. Was also an executive member of the Game Programming Club where I was able to share my knowledge with others.
