Summary

My name is Emory Wynn, I'm 19 years old and a graduate of Brooklin High School. I am currently an undergraduate at Ontario Tech University (OTU). During my years in high school, I was involved in several clubs including **programming club** where I gained a lot of my **Java,** and **object-oriented programming** knowledge. I am currently enrolled at OTU in the Game Development and Entrepreneurship program. Here I have learned an **extensive amount of C++,** and by the second year have even completed my own game engine. I am an executive member of GPC (Game Programming Club) where I get to **teach others about C++ and programming** they may not have known before. Lastly, I have also become an active member of our school's GDSoc (Game Development Society) where students get together and talk about things that happen in the game dev industry, and other things like time management.

Professional Skills

- C++
- Communication

- Object Oriented Programming
- Collaboration

- Creativity

Education

Ontario Secondary School Diploma

Brooklin High School
Graduated 06/2017

I have completed my High school education while maintaining the honor roll for 3 consecutive years. My main focus during my final two years was in computer programing, math and physics.

Bachelor of Information Technology (Honours)

University of Ontario Institute of Technology
Enrolled 09/2017

I am currently enrolled in the Game Development and Entrepreneurship course, learning new and innovative ways of developing games that will captivate its players.
